

General Counsel

10 February 1950

Acting Chief, Administrative Staff

Claim - Pennsylvania Railroad Company

1. Reference is made to your memorandum on the above subject, dated 1 February 1950 addressed to the Budget Officer, which was forwarded to the Fiscal Division for action.

2. The Fiscal Division has examined the freight and passenger transportation claims listed upon the attached exhibits A and B that are being returned herewith. No freight claims appear applicable to the Central Intelligence Agency and only the passenger transportation item set forth upon page 51 of Exhibit B applies to CIA.

STAT

"Information is requested as to how the value of this transportation request was computed. Accordingly, the transportation request has been deleted from your bill and is attached hereto for rebilling."

5. We would have processed this claim if a rebilling had been submitted in the proper amount.
